ArtsConnect: Forging Links and Bridging Divides

This talk serves as an opportunity to meet members of the ArtsConnect campus-wide group that was formed to facilitate inter- and cross-disciplinary collaborations among arts and culture researchers from across Wayne State University’s campus. Among other things, we will reflect on the outcomes and lessons learned from the ArtsConnect Research Showcase hosted by the group on September 11, 2020, and which featured diverse research talks by the group members and supporters. We will also engage in informal networking with the help of art.

This talk is co-sponsored by the ArtsConnect working group.
